Title: John's Picnic with his Parents

John's Picnic with his Parents

John went on a picnic with his parents last Sunday. It was hot and sunny. They brought some fruits, sausages and carrots. The food was scrumptious.

Suddenly, a monkey unexpectedly jumped on the table and scared everyone. The monkey was aiming for the bananas to feed their family. John said, "Oh my!" John's mother shouted, "Catch the monkey!"

The monkey stole an apple and all the bananas. The whole family was upset. Dad chased the monkey, but it was very smart. He ate a banana and threw the peel on the floor. Dad stepped on the peel and slipped. The monkey got away and Dad suddenly took out a gun. Since he has horrible aim, he missed all the shots. In the end, John and his family decided to leave the monkey alone and carried on with the picnic.

Title: A Day at the Farm

I went to a farm with my parents today. It was a sunny weekend. Dad wore a cap and Mum wore sunglasses. I wore a hat. We brought some water, food and sunscreen. We were excited.

When we arrived at the farm, Mum took photos of the carrots and Dad looked at the corn. I looked at the watermelons. They looked sweet and fresh.

Then, we went to the pond. I saw two children throwing stones at the ducks. I was angry so I said, "You cannot attack and hurt the ducks!" They did not listen to me and were still hurting the ducks.

At last, I told my parents about the two naughty children. Then Mum went to tell the staff of the farm. The staff was angry told the parents of the children. Their mothers told them not to hurt the ducks. The children felt sorry and they promised not to hurt the animals anymore. Then we went home and had dinner.
